The HadHa Web Committee proposed that the Association adopt a tartan which would not compromise any clan or personal interests for the Association. It was suggested that the Loch Lomond Tartan would best serve this need.

Ecclesiastical Purple for St Kessog and Red from the Lennox tartan with green and aqua for the natural colours of the area. The source of tartan 2616 was: Gary and Rowena Groves.

Scottish Tartans World Register: Loch Lomond Loch Lomond District Tartan WR2616
