Monthly Dance - 29th July, 2016.

Another very sociable and enjoyable night at the `dancin` has come and gone. Over 70 attended the function in the Osprey Suite of the Commodore Hotel and danced the night away to Nicky McMichan and his Band - Nicky himself on lead Accordion, Matthew MacLennan on 2nd Box and Andrew Barrie on Drums. The music was well enjoyed by all with good tunes to listen to and, more importantly to the Dancers, impeccable timing to dance to..

The interval provided the Dancers with some refreshments (tea and coffee) and the usual raffle. This month the raffle generated £186 which helped us to a small profit overall on the night. Many thanks to those who bought tickets on the night and to those who donated prizes.

Membership subscriptions are now due (£5 per annum or £40 life membership) and Ian Yule did a sterling job collecting monies and distributing the Syllabus on the night. Ian will continue to take memberships until October, 2016.

Numbers attending over the past few months have been a bit up and down, but hopefully with Autumn just around the corner, numbers will improve. We are a sociable group, all keen Dancers and we do endeavour to attract (successfully!) the best Bands around.
